

Lawrence County/City of Ironton, is preparing to make an application for a Downtown Revitalization Grant from the Ohio Development Services Agency for FY 2016. In order to complete, the submission, business and building owners within the Central Business District are eligible for grant assistance to improve their buildings. Eligible projects include exterior improvement and interior improvements to assist in bringing buildings into compliance with local and state codes.

*Currently, the Downtown Revitalization Program is a 50/50 match program for façade and code compliance and 75/25 for neon sign improvements/replacement.*

Below is a sample of activities that are eligible uses for grant funds:

Façade Improvements  
Entryway Repair  
Tuck Pointing  
Signage

Plumbing upgrades  
HVAC/R System upgrade  
ADA Compliance  
Electrical upgrades

Roof Replacement  
Awning Installation  
Window Replacement  
Fire Protection

As a part of the grant application, Lawrence/City of Ironton is required to gauge the interest of local building and business owners in participating in the program. Please indicate below your level of interest in the program as well as the potential dollar amount you would be willing to invest in your building based on a 50 percent owner participation.

**Level of interest**

- Definitely will Participate
- Very Likely will Participate
- Possible will Participate
- Unlikely to Participate

**Likely Level of Private Investment**

- \$2,500 or less
- \$2,501 - \$5,000
- \$5,001 - \$10,000
- \$10,001 - \$25,000
